

2015 Nonprofit Salary & Benefits Survey Order Form

This detailed report on nonprofit sector employee compensation and benefits is a valuable tool for nonprofits, agency executives and human resource staff. It is produced every two years through a collaborative effort of nonprofits in our area and is the only local nonprofit compensation survey with a Southeastern Wisconsin focus.

The new 2015 edition, published October 2015, includes:

Several new job titles (61 total) with salary data including wage breakouts by organizational size, operating budget and mission category. This includes executive director compensation.

Statistical breakdowns on benefits including health, dental, life and vision.

Pay increase data.

A section on how nonprofits are using technology and overall strategies to contain costs and increase efficiencies.
